

## **Textbook**

This class will not have a textbook required to purchase. There is a wealth of textbooks and calculus resources available to you and many can be found in the LU library. Here are some suggested references:

Comprehensive Textbooks:

- *Calculus* by Stewart
- *Calculus* by Salas, Hille, Etgen
- *Calculus* by Thomas, Weir, Hass

Free online textbooks that can serve as a supplement to the class notes:

- Calculus Volume 1 by Edwin Herman, Gilbert Strang  
<https://openstax.org/details/books/calculus-volume-1/>
- Calculus Volume 2 by Edwin Herman, Gilbert Strang  
<https://openstax.org/details/books/calculus-volume-2/>

## **Course Description**

Some important topics that will be covered include:

- Applications of Integration (area between curves, volumes, center of mass, Pappus's Theorem on Volumes, work, average value of a function)
- Inverse Functions (one-to-one functions and inverses, exponential, logarithmic, power and inverse trigonometric functions, hyperbolic functions)
- The Natural Exponential and Logarithmic Functions (properties, derivatives and integrals, logarithmic differentiation, exponential growth and decay)
- Indeterminate forms and l'Hospital's Rule
- Techniques of Integration (Integration by Parts, Trigonometric integrals, Trigonometric Substitution, Partial Fractions, Improper Integrals)
- Infinite Sequences and Series (sequences, limits of sequences, infinite series, tests for convergence, Power Series, Representation of Functions as Power Series, Taylor Series)

\*Extra topics may be added, if time permits.

## **WeBWorK**

WeBWorK is a free online homework system that will be required to complete the assignments and exams. The link that will enable you to access WeBWorK is found in the *Content* tab in the course site.

## **Class Policies**

It is strongly recommended that you attend class. If you come to class, I would appreciate that you show up on time. Please turn off your phone on silent while in class.

Tests/Midterms and exams must be taken on the date assigned. There will be no books, calculators, cell phones, or other aids allowed during the exams. Cell phones or other electronic devices are not allowed to be on your person during midterms and exams, per university policy.

## **Accommodations**

Lakehead University is committed to achieving full accessibility for persons with disabilities. Part of this commitment includes arranging academic accommodations for students with disabilities to ensure they have an equitable opportunity to participate in all of their academic activities. If you think you may need accommodations, you are strongly encouraged to contact Student Accessibility Services (SAS) and register as early as possible. For more information, please visit: <http://studentaccessibility.lakeheadu.ca>

## **Evaluation**

### **A. Assignments (10 %)**

There will be daily assignments posted on WeBWorK. ***Late assignments will not be accepted.***

### **B. Test I (30%)**

Test I is scheduled for **Friday, May 10** during class time.

### **C. Test II (30%)**

Test II is scheduled on **Friday, May 17** during class time.

### **D. Test III (30%)**

Test III is scheduled on **Friday, May 24** during the exam time.
