All graduate students must maintain continuous registration from initial registration until they have completed the requirements of their program.* This means fees must also be paid per term until graduation. Please note that there are three terms in each year:

- Fall (September to December)
- Winter (January to April)
- Spring/Summer (May to August)

Below you will find the term fees listed by program. To estimate your annual costs you may multiply the term fee amount by three. Please note that fee increases are effective annually as of September 1.

All graduate students must maintain continuous registration from initial registration until they have completed the requirements of their program.* This means fees must also be paid per term until graduation. Please note that there are three terms in each year:

- Fall (September to December)
- Winter (January to April)
- Spring/Summer (May to August)

Below you will find the term fees listed by program. To estimate your annual costs you may multiply the term fee amount by three. Please note that fee increases are effective annually as of September 1.
