Dr. Glenda Bonifacio  
Dean, Faculty of Social Sciences and Humanities  
Lakehead University

Dear Dr. Bonifacio

This letter requests that Dr. C. Nathan Hatton be appointed as an external adjunct in the Department of History. As the attached c.v. indicates, Dr. Hatton is a recognized expert in Canadian Sport History and in Public History, and members of the Department of History have expressed unanimous support for this appointment.

Dr. Hatton has extensive experience working at Lakehead University. He taught here as a contract lecturer from 2013 to 2020 and full-time under a Limited Term Appointment from 2020 to 2023 before accepting a tenure-track position at Cape Breton University. He continues to work on research projects collaboratively with Lakehead faculty members, and his appointment as an external adjunct would allow him to be involved in the Department of History's MA program.

Please let me know if I can provide any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael D. Stevenson".

Michael D. Stevenson, PhD
